FAIL BETTER PRODUCTIONS PRESENT FEDERICO GARCÍA LORCA'S

# PLAY WITHOUT A TITLE

IN A NEW VERSION BY DAVID JOHNSTON

**"EVERYTHING'S A LIE, ISN'T IT?"**

A director takes to the stage to cancel a performance; outside the theatre a civil war is ignited. Exploring the boundaries between reality and illusion, this lost classic reveals Lorca moving towards a 'theatre of the impossible'.

As part of their Residency at The CAPITAL Centre, Fail Better lead Warwick University students in a new translation of this audacious one-act play.
